Positioned just behind the esplanade means you can be on the beach in no time for a walk before breakfast, or take a quick look at the surf before work. The buzz of the cafes and restaurants isn't too far away either, though it's still easy to retreat from the world if you'd rather kick back and listen to the surf crashing in the background.

Investment information:

Rates & water charges: Approx. \$3000/year

Estimated permanent rental return: \$500/week
