

Easy lifestyle living

2 1 1

Perched up to capture the easterly sea breezes, this home has a great outlook and located in a sought after location in this over 50s village, and in a cul-de-sac. This pet friendly home has a virtually maintenance free yard but with the potential for a fantastic garden. The home is well presented and much loved, has been renovated over the last few years, so there is nothing more to do and nothing more to spend but to come and enjoy what is, a wonderful position and well laid out and comfortable home.

The new flooring accentuates the entire home, with its two spacious bedrooms with built in robes, a wonderful kitchen with new bench tops and a spacious dining area. There is plenty of storage with its separate laundry and a multi purpose room. Keep cool in summer with the reverse cycle air conditioner and fans in the bedrooms and living areas. The large single carport with internal access has more storage potential and did we mention the position that capture the sea breezes. A bright home awaits the next owner to enjoy
