- Almost gated community feel. Very peaceful & private setting (cul-de-sac)

The views over the lake and out to the fairways have to be experienced to be truly appreciated. There's an abundance of nature here too and the established citrus trees and gardens frame the outlook perfectly from virtually every room. The 808sqm block is enough space to provide peace and privacy, and the acreage like feel provided by the adjoining Golf Course is maintained by someone else leaving you more time to kick back and take it all in. You won't regret a walk through here, as living at this property might just be the easy green change you've been searching for.
