## Exceptional home

An entertainer's delight and family home all in one. The house has been lovingly renovated inside and out with a contemporary beach style. A huge amount of thought has gone into creating this exceptional home fulfilling all your wishlist items.

Enjoy the front deck for the morning sun and the back deck for brunch. Followed by an afternoon bbq on the patio and then the piece de resistance sitting on the pool deck watching the sunset.

The views are remarkable and can be seen from multiple windows and outlooks.

Preparing meals will be especially savoured in this very modern kitchen setting. Stone benches, a large island bench, state of the art Smeg ovenware, dishwasher, pantry and loads of storage space set the scene.

A large inground saltwater pool has been updated with fresh pebblecrete and granite pavers. Perfect time of the year for pool parties.

The property is fully fenced and adjoins a farm on the back boundary. Feeding the horses that come to the fence is a pastime that would delight children.
