- Bike to beach in 5 minutes
- Excellent rental return, leased until March 2020
- New security screens

With the tenancy coming to an end in March this year this home would be suitable to both owner occupiers and investors looking for an excellent rental return with a quality tenant in place.

Two streets from the new \$2mil village centre. Close enough to drop into a restaurant or bar, though far enough away to enjoy a high level of peace and privacy. A small complex of permanent residents brings control as well as common interest in good maintenance and ongoing improvement of the building and grounds. Standing out from the crowd has never felt so good!
