

A home amongst the gum trees

The first open home has been scheduled for the 27th February 2021
At this stage no other inspections possible

An amazingly tranquil location set amongst the gum trees, this home is filled with a unique aura like no other, encapsulating you to feel nothing but a sense of comfort and solitude.

If you can imagine living away from the hustle and bustle but still be within 5 minutes of a wonderful village with shopping, eateries and services, then this home is for you. You can forgive yourself for thinking that there is no one else around. The forest's cool air easily flowing throughout the entire home, with the sounds of nature gently echoing in the background, and looking out any window, the Australian bush setting as good as any painting.

Sure, we could tell you about the spacious features of the four bedrooms, two bathrooms and room for three vehicles; the verandah that is perfect for many a settings or the horseshoe driveway that provides for ease of turning around but you really need to see it for yourself. The sloping block is usable and easy to look after with some good flat spaces. Privacy is also a feature as the property is well set back from the street and is accessible via a long driveway.
