Unit 1, 5 Spinnaker Dr, Mount Coolum

Mount Coolum – beachside

This small pocket of homes is one of the most tightly held beachside locations on the Sunshine Coast. 500m walk to beach, surrounded by dune and conservation reserve means less people, and more peace and privacy. Even though it feels like a world away, a short walk through the nature buffer puts you at the IGA shopping/medical centre and public transport. Mount Coolum National Park hiking trail is nearby too, and five-minute's drive to the Golf Course.

While location is key, the size and quality of the home itself is just as important. This semi-detached house offers generous floor space and modern inclusions at every turn. Large open plan living and connecting outdoor spaces are central to design. Updated kitchen, bathrooms and powder room add to the modern beach-house feel. The multipurpose room doubles as a third bedroom, and the master suite with walk in robe and private bathroom is large enough for king size furniture.

Established trees and gardens make the back yard a private sanctuary. Grass for family/pets and enough room for a future swimming pool. Internal garage plus high-clearance double carport has your parking needs covered. With only one immediate neighbour and positioned at the back of the block for total privacy makes this home the ultimate escape. Whether you've been waiting for something in this location, or
