9 Boroko Pl, Bli Bli

Town and country

Bli Bli has always offered the best of both worlds. Semi-rural feel with comprehensive services and conveniences on hand. Close proximity to beaches and the rapidly evolving CBD has put Bli Bli on the map in recent years with so much potential still to come.

If it's possible to have great location within a great location, this is the definition. Situated in a quiet court, one street from the walk through to the River Markets shopping and services centre. This translates to a peaceful, private existence just 5 minutes walk from everything you need. No busy roads to cross, no fighting for parking, it's that easy.

The home has plenty to offer too. 4 bedrooms, three living areas, double garage and pool means everyone's needs catered for. The upstairs master suite features a large parents retreat and private balcony making it the perfect place for me-time. There's two more living areas downstairs, and a fenced yard for children and pets.

If a comfortable home in the perfect position is important, this property ticks all the boxes. Time to see for yourself what life here might look like.
