Unit 23, 151-153 Mudjimba Beach Road, Mudjimba

Beach days and water views

Mudjimba's location speaks for itself. Pristine beaches surrounded by dune/conservation reserve and that unmistakable coastal vibe. Twin Waters Garden Villas offers an added bonus of being built on the Twin Waters Canal. Even better, this large 3-bedroom townhouse fronts directly onto the water bringing stunning views right into the property.

House size open living and stone counters to kitchen means this home is built for fulltime living, offering flexible furniture layouts and room to move over both levels. Upstairs bedrooms are all a good size, and the master suite features a private bathroom and balcony looking over the waterway.

High ceilings and plenty of glazing brings a feeling of space. The larger size of the home also makes room for guests, family, flatmates and plenty of storage. Separate single garage has secure parking sorted, and rare off-street parking for a second vehicle right beside.

Secure gated complex for privacy and peace of mind. Resort facilities include lagoon pool, tennis court, BBQ area and onsite management. If you've been thinking about a sea change or a beachside investment, and don't want to compromise on size, this property offers much more than most.
