When more is more

4 2 3 600m2

Too often budget means compromise on space and inclusions. This full size, fully featured home is the exception to the rule.

Four bedrooms, two living areas, an internal double garage, covered outdoor area, inground swimming pool and high-clearance side access for a boat or caravan means this property caters to both needs and wants.

Open plan living off the kitchen connects to a poolside gazebo making entertaining a sinch, and it's easy to keep an eye on the kids while they're splashing around all summer. When you need some me time, the separate lounge and oversized main bedroom provide options to retreat in peace and quiet.

There's plenty of integrated storage and options for working from home too. Backing onto bushland means no neighbours behind, a natural outlook and a sense of space. 600sqm bock is one of the largest in the subdivision and there's hardstand covered parking for a caravan or boat.

The location is the other important factor. 12 minutes' walk to Coles, School, medical, and a 10 minute bike ride to beach. It's easy to access the Sunshine Motorway too and just a 10 minute drive to the CBD and Sunshine Plaza. If you want it all in one place, then you've arrived at the right place.
